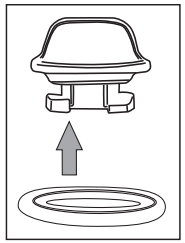
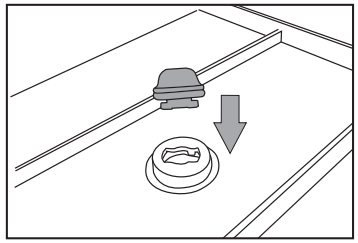
Caution: To avoid injury do not rock, tip, sit or stand on planter. For use on hard, level surfaces only. Do not use on uneven, wet or slippery surfaces. Rated to hold 150 lbs.

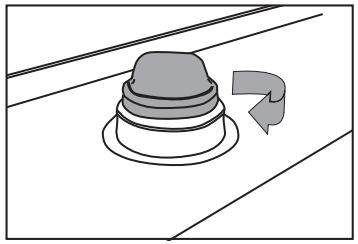
Mise en garde : Pour éviter des blessures ne pas basculer, ne pas s’asseoir et ne pas monter sur la jardinière. N’utiliser que sur une surface dure et à niveau. Ne pas utiliser sur une surface inégale, humide ou glissante. Prévu pour contenir 68 kg (150 lbs).

Precaución: Para evitar lesiones, no se mesa, incline, siente ni pare sobre el macetero. Para uso en superficies duras y niveladas únicamente. No utilice en superficies desniveladas, mojadas ni resbaladizas. Con capacidad para sostener 150 lb (68 kg).

1







Slide O-ring onto plug, twist and lock plug into place. Remove to drain.
Faire glisser le joint torique sur le bouchon, tourner et fixer le bouchon en place. Enlever pour vider.
Deslice la junta tórica en el tapón, gírelo y trábelo en su lugar.
Quítelo para desaguar.
